## Manure/Process Wastewater Tracking Manifest For Existing Milk Cow Dairies

### Instructions:

- 1) Complete one manifest for each hauling event, for each destination. A hauling event may last for several days, as long as the manure is being hauled to the same destination.
- 2) If there are multiple destinations, **complete a separate form for each destination.**
- 3) The operator must obtain the signature of the hauler upon completion of each manure-hauling event.
- 4) The operator shall submit copies of manure/process wastewater tracking manifest(s) with the Annual Monitoring Report for Existing Milk Cow Dairies.

|                                                                                                                                                                                                                                                |                   |                                                 |          |                          |

Waste Discharge Requirements General Order No. R5-2007-0035  
Existing Milk Cow Dairies

Method used to determine amount of manure: \_\_\_\_\_

Enter the amount of process wastewater hauled in gallons and the method used to determine the amount.

Process Wastewater: 2424100 Gallons

Method used to determine volume of process wastewater: FM

**Written Agreement:**

Does the Operator have a written agreement (in compliance with Land Application Specification C.2 of Waste Discharge Requirements General Order No. R5-2007-0035) with any party that receives process wastewater from the Operator for its own use? (please check one)

☒ Yes      ☐ No

If the answer is no, the Operator agrees to have such a written agreement with any such party for any process wastewater transferred after **31 December 2007** to such party.

\_\_\_\_\_(Operator shall provide initials here to acknowledge this requirement).

**Certification:**

I declare under the penalty of law that I personally examined and am familiar with the information submitted in this document, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of a fine and imprisonment for knowing violations.
